PLEASE NOTE:
Approvals are solely the customer's responsibility, we are not responsible for typo's or accidental changes in the artwork, please review artwork carefully.

- Computer monitors output colors in RGB mode. Artwork is designed and to be imprinted in either Spot Colors or CMYK, thus computer monitor colors may not necessarily match production colors.
- Exact match of full color/4 color process inks is not guaranteed. Variables in ink, squeeze pressure and material can affect the colors.
- For small imprint areas, lines and negative spaces less than 1½ to 2 points will potentially fill-in and/or drop out. They cannot be guaranteed to be fully legible.
